

AAHPM Virtual Career Fairs 2024

AAHPM is excited to host three Virtual Career Fairs in 2024 on the recruitment platform, Brazen. These events will take place on May 3, August 15 and December 13th 2024 from 10am-4pm Eastern. Attract high quality candidates to your virtual event "booth" as well as highlight the opportunities you are offering.

All career fair exhibitors will now be able to invite qualified candidates to speak to them at their virtual booth before the event. During the event, employers can hold pre-scheduled chats with candidates to make the most of the networking time.

This means employers will be able review all of the registered candidates before the event, invite qualified candidates to set up a time to speak one-on-one during the fair, and effectively chat with as many candidates that accept your invitation.
