

## **College of Palliative Care 2008-2009 Year-long Mentoring Program Awards**

Again this year, the College of Palliative Care (CPC) awarded funding to mentor/mentee pairs for one year to focus on professional development in clinical care, education, administration, and research. Mentors will receive a \$1000 honorarium and the pairs will be reimbursed up to \$3000 in mentoring-related travel expenses to and/or from one another's institution or the Annual Assembly.

Our congratulations to the 18 pairs awarded this year:
