¹ The crosswalk above assumes that all of the documentation requirements for the consultation code have been met.

² No longer paid by Medicare, effective 01/01/10, Check the payment policy of all other payers prior to claim submission. Please note that Level 1 and Level 2 inpatient consultation codes do not meet the minimum requirements of the lowest initial inpatient codes (hospital or SNF/NF), consequently proper coding would dictate that an unlisted Evaluation & Management Services code (99499) be billed.

³ The admitting physician will append a HCPCS modifier -AI to these codes.
